Percentage / CGPA: 8.8 | Major Subjects: Data Structure, Python, Cloud computing, Software engineering

PU – Science *2020 – 2022*
PRISM PU SCIENCE COLLEGE Dharwad, Karnataka
Percentage: 81.66% | Board: Karnataka State Board

PROJECTS

Project 1: Cement Ecommerce Management System | Tech Stack: HTML5, CSS3, JavaScript, PHP, MySQL

● Developed a comprehensive e-commerce platform for cement sales with features such as product management, customer management, order processing, and inventory tracking.
● Designed and implemented an interactive admin dashboard to manage products, suppliers, customers, logistics, and order workflows efficiently.
● Integrated shopping cart functionality, secure user authentication, and database-driven operations to enhance user experience and system reliability.
● Utilized responsive web design principles to ensure seamless accessibility across desktops, tablets, and mobile devices.

Project 2: Project 2: Sunshine Inventory Management System | Tech Stack: React.js, JavaScript, Vite, Vanilla CSS, Node.js, Express.js

● Developed a modern inventory management system to streamline stock monitoring, product tracking, and inventory operations.
● Built responsive and dynamic user interfaces using React.js and Vite, providing an intuitive experience for inventory management tasks.
● Implemented RESTful backend services using Node.js and Express.js to manage inventory data and support real-time business operations.
● Applied component-based architecture and efficient state management techniques to improve system performance and scalability.

INTERNSHIP / WORK EXPERIENCE

Currently seeking internship opportunities to apply academic knowledge and gain practical industry experience in web development

CERTIFICATIONS & ONLINE COURSES

Wild Learner

- Successfully Completion of a 25-hour course on MICROSOFT AZURE.
- Successfully Completion of course on Digital Marketing.

ACHIEVEMENTS & AWARDS

- Secured Second Place in the "**Trends and Technology**" technical event for developing and presenting the **Li-Fi (Light Fidelity) communication model.** Successfully demonstrated innovative wireless communication concepts using Li-Fi technology in a competitive academic environment
- Honored to receive a certificate in "**UI Masterline 2025**" as one of the top 5 UI participants.

CO-CURRICULAR & EXTRA-CURRICULAR ACTIVITIES

- Participated in Tech Connect event and contributed to the presentation titled "**Unboxing Git",''Online Database Hosting''**

LANGUAGES KNOWN

- English – Read, Write, Speak
- Kannada – Read, Write, Speak
- Hindi - Read , Write

DECLARATION

I hereby declare that all the information stated above is true and correct to the best of my knowledge and belief.
Date: 10th June 2026
